whittled down to somewhat of a manageable. We have plenty for the staff to do, and I think that the things that are up there probably deserve more than ten minutes.

PRESIDENT: Senator DeCamp.

SENATOR DECAMP: Mr. President and members of the Legislature. I also would have to agree with Senator Mahoney. We used a special technique to solve a particular problem. The technique worked. We solved the problem. And now we've got to clean up the loose ends. We have Select File to do that. If we handle the problem and use the amount of time it takes to handle the bills I think we will get through them without any problem as long as we don't fall into the trap of returning to General File and trying to deal with this bill or that bill. As long as we restrict ourselves to doing just what we are on Select File and polishing up the bills. So I would urge you to reject the Stahmer motion.

PRESIDENT: Senator Richendifer.

SENATOR RICHENDIFER: Mr. President, I would like to amend the Stahmer amendment to say that it would that each individual only can talk three minutes on any amendment.

PRESIDENT: Well, Senator Richendifer, let's go back a minute here. Senator Stahmer your motion was as the Chair understands it to let each amendment be heard for ten minutes, Senator Stahmer

SENATOR STAHMER: Well, I don't think there is the support here. I'll ask unanimous consent to withdraw and if anyone else wants to try, let them try.

SENATOR RICHENDIFER: I would make a motion to limit any individual to three minutes. On any amendment.

PRESIDENT: All right, the motion before us now is to limit each individual to three minutes debate per amendment. And that's the motion before the body at this particular time. Do you want to debate that particular motion. That will call for a suspension of the rules. Senator DeCamp your light is on does that mean that you want to be heard. O.K. Now the motion is to suspend the rules and limit the individual debate to then to each amendment to three minutes. All those in favor vote aye. Those opposed vote no. O.K. Clerk will record. Wait a minute Senator Richendifer do you want to...O.K. thank you there is not enough votes left to carry it.

CLERK: 11 ayes, 12 nays.

PRESIDENT: The motion is lost. Do we have other motions now on the desk. Yes, to take up 302 immediately after 894. After

CLERK: To take up 302 immediately after 894. We left 894...
